

# What are you doing to strengthen America's Peace Power?

Not everybody can fly a jet to help keep the peace. But fortunately, everybody *can* do something to help strengthen America's Peace Power. Here's how:

Peace costs money. Money for many different things. To help us *keep the peace*, through industrial and military strength. To help *make it lasting* for the future, through science and education. And, (most important) it takes money *saved* by individ-

uals. Your Savings Bonds, as a direct investment in your country, make *you* a partner in the job of strengthening America's Peace Power.

So—buy Bonds where you bank. Buy them where you work, through Payroll Savings. But buy them now. They're a good way to save (as the chart on the right will show you). And they're a mighty good investment in the future, as well!
